The **VWMS Scholarship Competition** is held in March on a three-year cycle that rotates between voice, piano, and orchestral instruments. The **VWMS Bursary Competition** is open each year to students in any classical music discipline.

Your generous donations help to ensure that our Society can continue its strong support of young musicians through our Scholarship and Bursary programmes. **Official Income Tax Receipts** are issued for all contributions over \$20.

The Board members below are happy to provide information about their specific areas. Please do not hesitate to call them, or any other member of the Society, if you wish to know more about the VWMS and its activities.
